

Multi & Giant Drop 4

Multi & Giant Drop 4

- Multiple free fall thrills on a small footprint
- Available in various heights (the sky and budget are the limit)
- Up to four different ride experiences in one attraction
- Independent use of the drops sections – each vehicle represents a self-contained ride
- Icon attraction with high “passive” capacity (spectators)
- Outdoor and indoor applications
- Upgrade/change of vehicle at a later stage possible
- Revolutionary smooth and failsafe braking
- Comfortable restraint system for increased level of freedom
- Drop sections/tracks can be wall mounted in- or outside of a building
