

INTAMIN

Intamin is a world-leading manufacturer of amusement and theme park attractions with a proud history built since 1967. Our product portfolio boasts the widest range of rides in our industry. We are known for roller coasters, water and freefall rides as well as observation towers, round rides and many others. Since the beginning, we have been pioneers in our industry: We have and still develop highly innovative and cutting-edge rides as well as technologies for our world-wide clients and hold countless world records for our achievements.

Every day, we work for the smile on people's faces, the thrill and joy of their experience and to push the boundaries of what's possible between man and machine. We create, engineer, manufacture, install, test, deliver and service all systems ourselves and every person in our organization has a key role in the process. We live our strong passion: You dream it, We build it - They love it.

For supporting us in a large scale and iconic project in the Kingdom of Saudi Arabia (KSA), we are looking for a

Site Operations Manager 100%(M/W/D)

YOUR ROLE

Overseeing our site activities related to the installation and commissioning of the equipment that we supply and the interactions with all involved parties, including the main contractor, a renown major international construction company. **The position is based in Riyadh (KSA) for about 2 years (possibly more).**

The duties of the Site Operations Manager are as follows:

- Representing Intamin on the construction site and being the local point of contact for daily operational activities
- Coordinating the Intamin on-site operations which concurrently need to be coordinated with the rest of the on-site activities in order to facilitate the interfaces, interactions and scheduling between involved parties, including the client, the main contractor, third parties, local subcontractors, our advisors and the ride installation companies
- Mitigating on-site operational difficulties
- Participating to periodical progress and planning meetings internally and with third parties
- Monitoring daily progresses
- Reporting and documenting and issuing official correspondences to third parties
- Guaranteeing contract compliance
- Supporting Intamin headquarter with insights from the site, also to resolve possible deviations

INTAMIN

The following skills and capabilities are desired:

- Knowledgeable in civil engineering projects
- Skilled in project management
- Five years' experience with similar operational positions on large-scale project construction site in an international environment
- Fluent in English, very good oral and written communication skills. Arabic is a plus
- MS Office
- Capability to work under pressure
- Other relevant experiences appreciated

WHAT DO WE OFFER?

We offer a unique place to work in one of the most exciting and fun industries in the world. As a mid-sized, family-owned company, we offer a high degree of job responsibility with short decision-making times in a highly diverse, global, and multi-cultural environment. We provide a competitive salary and good development opportunities working with a very talented and dynamic team who have brought the company to where it is today. Special arrangements with periodical trips back to home country are foreseen for this expat position. We value and organize regular team events and team activities.
