

INTAMIN

Intamin is a world-leading manufacturer of amusement and theme park attractions with a proud history built since 1967. Our product portfolio boasts the widest range of rides in our industry. We are known for roller coasters, water and freefall rides as well as observation towers, round rides and many others. Since the beginning, we have been pioneers in our industry: We have and still develop highly innovative and cutting-edge rides as well as technologies for our worldwide clients and hold countless world records for our achievements.

Every day, we work for the smile on people's faces, the thrill and joy of their experience and to push the boundaries of what's possible between man and machine. We create, engineer, manufacture, install, test, deliver and service all systems ourselves and every person in our organization has a key role in the process. We live our strong passion: You dream it, We build it - They love it.

To strengthen our project team Water Rides in **Wollerau (Switzerland)**, we are looking for a

Project / Commissioning Engineer Water Rides 100%(M/W/D)

WHAT ARE YOUR TASK IN THIS ROLE?
